

## Dear Cub Scout Leader:

Enhance your Pack and parents' cub scouting experience with a well-organized custom website *unique to your pack*. It's been designed and built for Pack Leaders, by a Pack Leader / IT Professional.

**Unmatchable Quality, Very Affordable...** Let us help you communicate more effectively, keep your costs low, and help you to focus more on what matters most to you...the kids in your Pack!

**It's Quick, Easy, & Well Organized...** Consider a well-organized custom web site unique to your pack, without the frustration of developing it or finding a "friend of a friend" to build it in their "spare time"!!

**Under \$100...** Provide a resource for your Pack that looks sophisticated, provides information for both current and prospective members and is easy to use. However, the best part is you don't need any web or HTML design experience and it's available for **under \$100**. PACKweb, A CUSTOM CUB SCOUT PACK WEBSITE is the answer!!...It's easy to get implemented, is hassle free and can be an easy-to-use, great addition or upgrade for your Pack!

**Meeting Your Needs...** The Many Features of your PACKweb website will include:

- Pack Calendar – easy to use date and event entry features
- A place to announce and schedule upcoming events and provide directions
- Additional links, such as Den Web pages or a link to your Council's site
- Activity pages with information on your Pinewood Derby, Blue and Gold Banquet, Space Race, Rain Gutter Regatta, Fundraisers & Friends of Scouting
- Photos from your events if you like!...a Pack Scrapbook!
- And more!!...show contact e-mails for your pack leaders, include newsletters, downloadable sign-up forms for events, scouting info from the National Scouting Organization
- Also...*you pick your OWN URL for your site!!*...i.e., [www.yourpackname.org](http://www.yourpackname.org) and hand it down from year to year to the next leadership team.

**Next Steps...** Learn More and Launch Your Site...A **demo of your future website** is available for you to explore at...[www.packwebsites.org](http://www.packwebsites.org).

Make the most of your leadership time and consider putting PACKweb to work for you. Thanks for your time and consideration, it is appreciated!

**Best Regards, Deborah Yarosh**
